

Revive & Release Weight Loss/Metabolic Reset

at Benton Integrative Medicine & Medical Spa -
Huntersville & Charlotte

This 12 week program builds on principals of clean eating and intermittent fasting while fostering a healthy mindset, stress reduction and habit change through a 3 phase process. Feel empowered, have more energy, and be more vibrant. Stop working against yourself and get the real results you have been looking for. We are here to help you each step of the way. Get ready to feel revived and release those unwanted pounds and those habits that no longer serve you (or never did).

Terms and Conditions

Regularly \$1500 but discounted now through end of December \$900

Exp: January 31, 2021
