

Champagne Moon Dip Body Scrub

at Ahlara International Day Spa and Boutique

Champagne Moon Dip Body Scrub After a minty-champagne shea butter foot soak, experience a full body exfoliation using a fine grain sea salt polish, with gentle notes of sweet cream. Continue with a light-as-air Moon Dip Body Mousse application. The advanced peptides hydrate and visibly firm the look of skin, while the soft scent that lingers is truly out of this world. End with agent float in the heated dry float bed. 60 minutes. \$75 (reg. \$90) Ahlara Spa
